

13626

A unique retractable scraper that takes the aggravation out of getting old stickers off car windshields and paint blotches off windows. The scraper is 7-7/8" when fully open and locked in position. The razor blade holder tilts the blade to give a better angle of attack in tight corners. The blade can be folded 180 degrees into the handle and locked when not in use, permitting it to be kept in a tool box safely. The blade can be replaced when worn out and the entire tool is compact and durable as well as economical.
